

8" Cylinder LED Wall Sconce

DESCRIPTION:

8-Inch Outdoor Decorative LED Up & Downlight, Modern Cylinder Wall Sconce Fixture, 24 Watts, 1800 Lumens, Selectable CCT, ETL Listed, Brushed Nickel, for Porches, Garage & Entryways

FEATURES:

- **SLEEK PROFILE** - The LED 8 Inch Up & Down Cylinder Wall Sconce offers effortless and modest lighting to outdoor or indoor spaces. Fixture dimensions are 8.1" tall, 4.35" wide, and 4.3" deep. Cylinder is 2.75" in diameter. Back plate is 4.35" tall, 4.35" wide, and 0.5" deep.
- **MANY APPLICATIONS** - Understated and modern aesthetic, this fixture will add curb appeal to any home. By providing bright illumination, the cylinder luminaire makes for great lighting near your garage entrance. The minimalistic wall sconce spreads proper light over surrounding walls and ground. Its recessed LEDs and diffuser soften the light making it perfect for porches, gateways, and entryways.
- **GEOMETRIC DESIGN** - The energy-efficient LED wall sconce is a modern-day lighting mainstay that's low profile and stylish. The simplistic wall sconce has a geometric design that provides a sufficient amount of soft, diffused lighting. Our light would be ideal for placement in areas like hallways, bedrooms, and living rooms.
- **DURABILITY** - The low-maintenance wall sconce sports a solid aluminum and steel construction, so it is built to last. Its recessed lighting and robust housing allow a greater degree of durability within its application space.
- **WET LISTED & EASY INSTALLATION** - ETL Listed for Wet locations and 120V, which is great for many applications outdoors. Perfect for front lawns, gardens, and balconies, and many more! Designed to be installed directly to a standard junction box on any wall. Hardware and mounting instructions included.

SPECIFICATIONS:
