SUGGESTED APPLICATIONS
Residential, Hospitality, Covered Patios, Gazebos, Sunrooms, Indoor Decorative

SATCO's LED Natural Rope String Light adds warm, inviting illumination and a relaxed decorative touch to a variety of spaces. Featuring a natural rope design and 10 clear 12V S14 polycarbonate bulbs, this 16-foot string light creates a cozy 2700K glow while providing a lower-energy alternative to traditional 120V lamps. Well suited for farmhouse, coastal and rustic-inspired décor, it is ideal for indoor decorative applications or sheltered areas such as covered patios and gazebos. The plug-in design makes installation simple and convenient, while up to three strings can be connected to extend the look across larger spaces.
