DESCRIPTION:

Sunlite LED Wallpack Cutoff Downlight Fixture adds protection while enhancing the appearance of your property. This fixture is made with robust aluminum material with a bronze finish. Designed with a glare-free illumination projected downward via a complete cutoff design and its IP65 classification offers the maximum dust protection level and makes it resistant to low-pressure water jets from any angle. This fixture allows you to choose the color temperature and wattage at any time. Select 3000K Warm White or 4000K Cool White or even 5000K Daylight depending on your preference using a switch located at the back of the fixture. Take control of the light emitted with its tunable wattage of 25W/40W/60W/80W. The lighting output can be changed when connected to an LED-compatible dimmer switch (0-10v), with a beam angle of 120 degrees, allowing it to adapt to any lighting to suit the mood. This light source produces a bright tunable color with a robust high lumen output that varies depending on the selected wattage that can range from 3000 to 9920 lumens. This dimmable fixture long life provides 50,000 hours of maintenance-free service LED technology. ETL Listed for wet location installation. Mounting hardware and installation instructions included. Ideal for Garage, Entryways, Porches, Garden and more. Fixture Dimension: 8.31" D x 14.37" W x 9.22" H.
