SATCO|NUVO’s LED Trimless Surface Mount Fixtures combine clean, modern aesthetics with versatile performance for a refined lighting solution. Designed with a seamless, trimless outside edge, these fixtures deliver a sleek, low-profile look that blends effortlessly into the ceiling plane. A frosted lens ensures smooth, even light diffusion, while 5 CCT selectability (2700K–5000K) allows for easy on-site customization. Available in 5” and 7” sizes with black or white finish options, these fixtures offer flexibility to suit a range of design preferences. A preinstalled gasket helps support a secure fit for wet location applications, while long-lasting performance ensures dependable illumination with a polished architectural feel.
