SUGGESTED APPLICATIONS
Residential & Commercial

SATCO's recessed cans provide dependable solutions for both new construction and remodel applications, with configurations to meet a wide range of project requirements. Available in LED Ready, LED Ready Fire Rated, and Screw-Base models, these housings are offered in popular 4", 5", and 6" sizes (Fire Rated models available in 4" and 6"). Complete the installation with SATCO's extensive selection of compatible trims, designed to complement virtually any residential or commercial space, including shower-safe options featuring durable Albalite lenses.
