SATCO® is your single source solution for all of your lighting needs. From emerging LED technologies to decorative fixtures and lighting components, we carry products for nearly every industry and application to our customers. Independent and privately owned for 60 years, SATCO continues to grow because of our traditional values: trust, quality, loyalty and hard work. Agile in practice, unwavering in customer focus...

...we deliver on product, promise & partnership.

SATCO® has two lines of product to help you meet California's Building and Appliance codes:

Building Code (Title 24): The full line of Icon Approved & LWD lamps are certified to the Title 24 2025 building code. These products will help you comply with the newest California residential building codes.

Appliance Code (Title 20): Lamps and Retrofit kits are considered appliances in the California Code, and Title 20 is one of the most stringent in the country. Satco has a full line of products that are compliant with this code.

As an ongoing effort on behalf of Satco Products, Inc. to remain dedicated to the improvement of our products, we reserve the right to change specifications. The information contained in this specification guide is subject to change without notice. We cannot be responsible for typographical errors.
