PRODUCT DESCRIPTION

1- Integrated LED vanity wall mount features a contemporary style that makes for an excellent addition to any indoor area. Metal backplate and accents are made with a brushed nickel finish that compliment stainless steel decor. Bar light fixture produces 1700 Lumens at 3000k temperature and is encased with a white acrylic shade, perfect for an even glow. Easy maintenance makes this an ideal choice for both residential or commercial settings. This product is damp rated, is covered by a 5-year limited warranty, and is UL listed.
