## Description

Treat yourself to this indoor hanging chandelier's refreshed contemporary elements. Airy, etched white cased glass globes rise like balloons with elegance. Round / sphere / globe / orb etched white cased glass shades exude stylish retro chic. Handcrafted by master craftsmen, these shades glow bright in perfect uniformity, emitting an ethereal, serene ambience and capturing an immaculate glow throughout the glass. Enjoy phenomenal long-lasting color that will never fade from cleaning or sunlight. Glass color is always non-painted and 100% natural, inherent to the original sand pigment from which it was created. Illumination mechanism is sure to impress with its stunning, unique look. Light diffuses within multiple layers instead of simply filtering light through. Thickness and weightiness from multiple glass layers ensures long-lasting durability. Pairs beautifully with candle-style bulbs (sold separately). Feel confident in your choice of combined contemporary and classic elegance. Delight in transitional design that complements surroundings and décor with the best of both modern and traditional elements. Perfect complement to kitchens, islands, living rooms, foyers, entranceways, dining rooms, restaurants, and many other indoor areas. Suitable for dry locations only. Beautifully and evenly finished in rich foundry bronze individually handpainted by master artisans. Add fanciful delight to your home. This piece is truly a classic beauty.
