## Description

Sleek, transitional wall mount combines the best of traditional and contemporary artistry. Towering lines gently waterfall into a waved motif with rolling elegance. Beautifully finished with polished nickel. Feel at ease with nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Polished to a mirror shine and an immaculately smooth surface by skilled craftsmen. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Complements stainless-steel appliances. Accent your spaces with this subtly gentle piece.
