## Description

This indoor hanging pendant chicly accents spaces with an elegance reminiscent of the rolling sea. Loose curves or waves incorporate an easy, carefree vibe. Encased in an elegant white alabaster bowl. Alabaster glass features beautifully unique patterned swirls. Thick and durable, alabaster diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. These gorgeous swirls make this alabaster bowl one-of-a-kind. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Flawlessly and evenly finished in rich antique bronze. Complements islands, bars, dining rooms, kitchens, restaurants, and many other indoor areas. Accessorize with soft style and a gentle, waved flair.
