PRODUCT DESCRIPTION

This integrated LED indoor white linear under cabinet / display light features a rectangular white acrylic diffuser lens. Energy efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Profile is super thin—only 1.125 in. in height. High/low/off switch is included. Perfect complement to displays, shelves, cabinets, restaurants, and many other indoor areas. Suitable for dry locations only. Finished in solid white. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
