Description

This integrated LED indoor brushed nickel wall mount or wall sconce features a white glass half cylinder shade. White glass diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Glass thickness and weightiness ensures long-lasting durability. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Clean, minimal, and solid color design blends in seamlessly with surroundings and existing décor. Americans with Disabilities Act compliant (ADA compliant). Perfect complement to lobbies, hallways, living rooms, bedrooms, restaurants, and many other indoor areas. Suitable for dry locations only. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with brushed nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
