Description

This sleek, modern integrated LED indoor or outdoor (suitable for damp or dry locations only) silver gray aluminum cylinder downrod mini pendant features a professional look and formed and welded, all-aluminum construction. Feel at ease with aluminum's corrosion-resistance, high resilience, lasting quality, and inability to rust like steel. Powder-coated paint base finish provides phenomenal long-lasting color and exceptional corrosion/scratch resistance. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Feel confident in your choice of elegant simplicity. Delight in clean, minimal, and solid color design that blends in seamlessly with surroundings and existing décor. Offers remarkable versatility for exterior and interior design. A stunning piece that imparts a fresh, rejuvenating, and open atmosphere both outside and within. Change up your exterior spaces with this look, or be unique—bring the outdoor look indoors. Open/uncovered bottom helps prevent accumulation of dust or pests. Perfect for many indoor or outdoor areas (suitable for damp or dry locations only). Compact light fits easily in small spaces. Flawlessly and evenly finished in silver gray. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty. Modernize your spaces with this smart, bold piece today.
